**Re: New European (EU) Regulation
REACH**

Trajouce, January 2015

Dear Sirs/ Madam,

We are aware of our obligations under said regulation "REACH" and we hereby declare, that we do not produce nor import any chemical substances.

We are manufacturer of **articles** and our products **do not contain** and are **not intended to release** any substances identified on the list of 161 Substances of Very High Concern (SVHCs), including the 6 added last 17 December 2014.

For our products (articles) safety-datasheets are not available and not needed.

We have collected safety-datasheets for all preparations used in our processes.

We hope to have answered your concerns and remain with best regards

VITROHM Portuguesa Lda.
