

REACH (SVHC) Statement

May 14, 2024

Vitrohm Portuguesa is aware of our obligations under said regulation "REACH".

We hereby declare to the best of our knowledge, that there are no currently hazardous substances in our products nor even in packing materials, in a concentration above 0,1% by weight allowable limit. They all are in compliance with last 240 SVHCs on the current REACH candidate list update (23.01.2024), with commission regulation (EU) 2017/227, of 09 February 2017, amending annex XVII to regulation of European council 1907/2006 Art. 33, dated 18 December 2006.

Even for our products (resistors and packing materials) safety-datasheets are not available and not needed, we have collected, from our suppliers, safety-datasheets for all materials used in our resistors manufacturing processes.

To reinforce our commitment with this regulation, we declare our products in the International material data system (www.mdsystem.com). This follows the high standards used in automotive industry.

Respectfully yours,

Manager, Technical & Innov Dept.

Managing Director
